Jordan Mitchell

MATHEMATICS | CONTENT & ASSESSMENT | AI EVALUATION

Cumberland, Rhode Island | jordanbenjaminmitchell@gmail.com | linkedin.com/in/jordanbmitchell

Profile

Mathematics content and education leader across K–16 curriculum, state assessment, editorial operations, and AI learning products. Led resources reaching 5M+ students and a 900-item assessment program with 98% no-rewrite acceptance. M.S. in Mathematics Education.

Core expertise

Mathematical accuracy • Writing and editing • AI tutor evaluation • Rubric design • Curriculum and assessment • Standards alignment and DOK • SME and vendor leadership

Experience

Supervising Editor / Project Manager, Mathematics Sep 2024 – Present

- Lead content direction, schedules, budgets, and editorial quality across concurrent mathematics programs.
- Established a generative AI course-design process for secondary math and improved templates and review workflows based on content findings.
- Evaluate generated assessment items for objective alignment, mathematical accuracy, distractors, and feedback.

Educational Consultant, AI Math Content Sep 2025 – Present

- Audit an AI math tutor from the learner perspective, prioritizing questioning flow, reading level, feedback, reteaching, and skill coverage.
- Refine knowledge-tree and item-taxonomy structures against multiple standards frameworks and DOK levels.

Math / AI Product Manager, Contract Feb 2025 – Jun 2025

- Led strategy, design, testing, and launch of an AI-powered standards-alignment tool.
- Managed SME review and delivered coverage analyses, demonstrations, and product documentation.

AI Math Tutor Trainer Nov 2024 – Nov 2025

- Designed evaluation rubrics for mathematical accuracy, consistency, and teaching quality.
- Documented reasoning errors and actionable feedback for AI training teams.

Senior Editor, Mathematics Sep 2022 – Sep 2024

- Led K–12 digital and print math resources reaching 5M+ students, owning quality, timelines, budgets, and client communication.
- Directed a 900-item TX STAAR program with 98% no-rewrite acceptance; wrote guidance and coached contributors.
- Led test-prep programs, standards maps, item and alt-text guidance, and remote vendor training.

Senior Math Item Writer and Content Lead Dec 2019 – Sep 2022

- Wrote and edited hundreds of classroom and state-assessment items, producing 25+ math items weekly.
- Aligned thousands of items across state and Common Core frameworks and led 3–4 peer-review sessions weekly.

Mathematics Specialist Jun 2018 – Dec 2019

- Led a K–4 math program and supervised eight teachers and eight assistants; student scores exceeded projections by 20% for two consecutive years.
- Used weekly assessment data to guide curriculum, intervention, and coaching.

Additional teaching

Math teacher and tutor: standards-aligned curricula, individualized secondary math, statistics, calculus, and ACT/SAT preparation.

Education

M.S., Mathematics Education, St. John’s University (2018) | B.S., Mathematics; Minor in Finance, Lander University (2016)
